An urgent message from Allestree Preservation Group

Please!

Carry on objecting and help save Kings Croft

You may well have received a letter from Derby City Council informing you that Sandstone Group are again appealing against a planning refusal for the erection of 51 dwellings and a 60 bed care home following the demolition of five existing homes.

If you objected to the planning application your letter will be sent to the Government inspector **BUT** you can write a further letter of objection to Sandstone's appeal and we are **urging** as many residents as possible to do so.

You can email your letter direct to the Planning inspectorate quoting reference number APP/C1055/A/08/2070644/NWF by going to www.planningportal.gov.uk/pcs or if you wish to write a letter, you must send three copies, quoting the same reference to:

The Planning Inspectorate
Room 3/18B Kite Wing
Temple Quay House
2 The Square
Temple Quay
Bristol
BS1 6PN

We believe the Sandstone Group expected a much easier passage with their applications and underestimated the strength of feeling against their proposals from **you** the local residents whose lives will be blighted if they are allowed to get their way.

We also expect a new application for Kings Croft, from the Sandstone Group, to arrive with the City Council in the near future. **Please carry on objecting and please do not leave it to chance that others will do so. Every letter counts!**
